**2009/10 Season**

**Newsletter 2**

---

Dear Parents

## **Training Sessions**

Last training session will take place on **Tuesday 15th December 2009** and restart **Tuesday 5th January 2010**.

Last team game will be **Sunday 20<sup>th</sup> December 2009** – with the next game scheduled for **Sunday January 10<sup>th</sup> 2010**.

For all the latest information please see our club website [www.ggnpfc.co.uk](http://www.ggnpfc.co.uk).

## **FEES - Subs payable**

Subs are required from all children attending training/games as follows:-

**U10's, U12's & U15's** - Squad team members for training/games **£12 per month**.

Non Squad members for training only £6 per month.

All Subs must be paid at the **BEGINNING** of each month to the team manager, in **an envelope clearly marked with your Childs name and age group**. Payments can be made by cash or cheque payable to GGNP FC.

**It is with regret that from 2010** we will have to turn children away if their subs are not up to date. If you wish to pay for training on a weekly basis then please ensure your child brings **£2** every week.

It is essential for all children to complete the Club Registration/Medical form, if you have not completed one please contact your team manager immediately as we can not coach any child if we do not have the completed form.

## **All Parents**

Please note that as part of the club policy, we review each squad at the January transfer period. This is done by the managers/coaches of each age group. This is to give an opportunity to other players who have been coming training but have not featured in the squad. The manager/coaches will make changes by deregistering some players who are currently part of the squads. If your child is one of the squad players deregistered please do not take this as a negative. We still want your child to be in our club and we are committed in policy to give all players opportunities to show what they can do. The managers/coaches will speak to you accordingly. Please remember going forward all players are still in contention for squad places. The manager's decisions are final – if you have any issues or want to discuss it further please call **Peter Randhawa**, his number listed below.

## **Under 10's Parents**

As you are all aware the U10's team games are played as 7v7. Next season when they progress to U11's this becomes 11v11. As a club we made a decision to sign 14 players (Maximum allowed by the league) this season, so we can analysis and get players involved in the squad and to make sure we have enough players for next season. This has clearly caused a few issues as when you have 7 substitutes it is not possible to always play them. Ricky and Malkit (U10's management) have decided to rotate the squad players/substitutes, so that only 10 are made available for each game. The squad will be reviewed every 3 games so all the squad players get a game at some point. Obviously this will be different next year as it will increase to 11v11 and therefore the squad will naturally need to be bigger. The squad will be picked after the training session. The manager's decisions are final.

## **Important Information**

We have decided to embrace best practise and create an **Enabler Workforce**. We therefore have nominated roles for volunteers. The volunteers have been identified in the club as follows with Co-ordinated duties to attend our committee meetings and provided feedback or any issues you may have regarding your children's football coaching. All the volunteers are currently undergoing CRB checks as per the club policy.
